Worldwide Hotel Installation Directory Over 6000 Hotel Installations In 115 Countries

Hufcor is proud to be the world's leading manufacturer of operable partitions, accordion folding doors, glass-wall partitions and portable partitions. Just as the major hotel brands are located throughout the world, the true strength of Hufcor lies within its expansive global network of manufacturing operations, exclusive licensee operations, distributors and sales offices. From China to Australia, Europe to India, the Americas to Africa, the Hufcor network delivers true innovation and a focus on international business solutions.

Architects, owners and developers gain from the knowledge that Hufcor is there whenever and wherever they need assistance. HUF COR is the brand that stands for quality, reliability, innovation and experience. Hufcor operable partitions and room dividers deliver unlimited space division and acoustical separation. Hufcor products are installed throughout the world in the finest hotels, schools, religious buildings, convention centers and corporate facilities. Hufcor has a 100 year history of quality, reliability, innovation and service to the industry.

Hufcor Manufacturing Locations.

Hufcor Operable Partitions are manufactured throughout the world.

Each manufacturer in a region is further represented by a local Hufcor distributor in your area.

**In the United States
and around the world,
there is a Hufcor
distributor near you.**

Visit:

www.hufcor.com

**to learn more about
the Hufcor
manufacturers and
distributors
in your area.**

About Hufcor

Hufcor, the world leader in the manufacture of partitions, has a reputation for products with exceptional quality and durability. Operable, accordion, portable and glass partitions provide the flexibility to quickly create large or small spaces.

Hufcor partitions are available through local, factory-trained Distributors, offering design assistance as well as installation and service.

For more information about Hufcor partitions, contact your local distributor. For the name of your nearest representative, go to www.hufcor.com.

The Hufcor Commitment to Green Manufacturing, Sustainability and LEED™

Hufcor is committed to being an industry leader when it comes to protecting the environment, by reducing pollutants and minimizing our environmental impact on air, water and land. Today, the Hufcor commitment and progress toward Green manufacturing is greater than ever, as we continue to develop standards that support various LEED (Leadership in Energy and Environmental Design) points to assist the achievement of LEED certification goals.
